by [Erin Feher](#) Thursday, February 11, 2010 07:45 AM

On Wednesday, February 3, California Home + Design hosted nearly 300 members of the state's design community to announce and celebrate the 10 winners of the magazine's fifth annual design awards. Held inside the Galleria Atrium of the San Francisco Design Center, attendees enjoyed wine, cocktails and hors d'oeuvres and got their first look at the new February/March issue, which features in-depth stories and jaw-dropping photo spreads of each of the winning projects.
